

Tucson Orienteering Club

Waiver and Permission to Participate

Must be signed by parent or guardian for each applicant

In consideration of the acceptance of this application, intending to be legally bound, I do hereby for the applicant, his parents/guardians, heirs, executors and administrators, waive and release any and all rights and claims for damages I may have against the United States Orienteering Federation/Orienteering USA, the Tucson Orienteering Club and its members, the school and/or scout group sponsoring this membership, and other public and private land owners and lessees, their representatives, successors, and assigns for any injuries resulting from events from the date of this application through the following July 31st. I further attest that I recognize that participation in orienteering events may pose a risk of injury. The risks may cause minor injuries, serious injuries or in extreme circumstances even death. I also understand that the risks associated with orienteering may be caused by the participant through his or her own actions, or inaction, or the actions or inaction of others participating in the activity and that there may be other risks either not known or not readily foreseeable. I also attest that that my son or daughter is physically fit, able and qualified to participate in orienteering events.

This waiver is for the set period of time outlined above but if I determine after one of these events that I have concern about further participation by my child, I will not allow my child to participate.
