Thirty-one members set out on the trails of Sweetwater Preserve on a beautiful warm Sunday, October 18th. Since this was a training event, no formal competition was involved. However, there were four individual participants and one team who had located all 13 controls precisely:

<b>Ludwig Hill</b>	<b>0:39</b>
<b>Alexander Savine</b>	<b>0:51</b>
<b>Max Suter</b>	<b>0:58</b>
<b>Pat Penn</b>	<b>1:15</b>
<b>Jeff Brodsky</b>	<b>2:13</b>
<b>Gail Brodsky</b>	<b>2:13</b>
<b>David Glass</b>	<b>2:13</b>

**Claudia Rickel** barely missed the accuracy circle with one control (1:39), while **John Little** (1:15), **Peg Davis** (1:19), and **Margrit McIntosh** (1:56) all placed 12 "X"s within the correct circle.

Most of these other participants also had impressive maps:

**Gregg Townsend**  
**GeeGee Larrington**  
**Matt Stamm**  
**John Rickel**  
**Jaxon Rickel**  
**Jodi Rickel**  
**Jared Rickel**  
**Jonathon Rickel**  
**Cristina Luis**  
**Mark Martin**  
**Susan Wenberg**  
**Jim Haley**  
**Wendy Haley**  
**Richard Lemieux**  
**Sophie Lemieux**  
**Danielle Lemieux**  
**Greg Stutz**  
**Jerry Elian**  
**Chia-Chi Kua-Speck**  
**Jeff Brucker**

Returnees were rewarded with cookies, compliments of **Gail Brodsky**, and donuts, compliments of **Cristina Luis**.

This was an easy event to set and direct, thanks to **Ludwig**'s help in maps, forms, and web page presence. Also, thanks to **Gregg Townsend**, who collected all of the controls.
