19 orienteers braved the southern Arizona heat on tough courses in the mountains around Tucson. Early in the morning the weather was pleasant due to the altitude which unfortunately made the running difficult. Long time orienteer **Ludwig Hill** won the red, long time orienteer **GeeGee Larrington** won the yellow and newcomer **James Nuxoll** was the best on the orange. Thanks for dealing with the last minute changes and slightly misplaced controls due to unforeseen circumstances.

Special thanks to **Kevin Culberg** who directed this event and to **GeeGee** who helped run the tables. The control retrievers were **GeeGee, Ludwig, Kevin, and Jordan**.
