### Details

Written by Mark Parsons & Wolfsong

Seventeen adventurous orienteers showed up for the classic courses set by **Mark Parsons** on Saturday at our Easter weekend event at Slavin Gulch in the Dragoon Mountains. Ten stayed for the night-O and six went out again Sunday to enjoy the score-O/scavenger-O, both set by **John Maier**.

Special thanks to those who helped: **Helen Deluga, Pat Penn, Mark Parsons, and Ludwig Hill** for collecting controls.

[**Mark Parsons** and **Mike Byers** saved this event before it even started when Mike discovered a backyard-sized wildfire just 100 m away from the finish/start at sunrise, perhaps started by a wayward cigarette tossed by a nearby camper taking an early morning hike. Mark quickly took charge and sent Mike out in his car to gather up sleepy-eyed ORV, rock climbing, and horse people from other campsites in the area. By the time the fire crews showed up the fire was pretty much stopped in its tracks by 25-30 civilians with 15 shovels. When the fire was finally killed it had spread to about five acres. - Ludwig]
