Kentucky Camp Results -- 4/20/13

- [Print](#)

Details

Written by Lois Kimmineau

We were fortunate to have a bright, sunny day at Kentucky Camp on Saturday, April 20, for our joint meet with the [Junior ROTC from Buena High School](#) (Sierra Vista). There was a bit of wind, but only enough to keep it cool. This is one of our nicest areas for meets, with gentle, rolling hills, and mostly open landscape.

There were 24 entries from TOC, including 7 teams. **Ludwig Hill** was high scorer, with 85 of a possible 87 points, in 5-1/2 minutes less than the two-hour maximum time. **Peg Davis** was the highest female scorer with 47 points. There were several first-time orienteers who showed a lot of promise, and we hope they will join us again. All the entrants were big winners, because they had a good time in a beautiful area, with a fun and healthy activity.

We thank **Monty McDaniel**, JROTC instructor and leader, for the many hours of work he put into organizing this event, designing the courses, and working with our club to make it all come together. Thanks also to **Jeff Coker**, who vetted the course; to **Mark Everett** for obtaining the Forest Service permit for the event; and to **Peg Davis**, who conducted her excellent beginners' clinic. And special thanks to my family—husband **PK**, son **Brian**, and daughter-in-law **Polly**--for their help setting up (and tearing down), registration, and timing. I couldn't have done it without them. The **JROTC students** were also helpful, offering to do any chore we asked them, and doing a lot of the lifting and carrying. Thanks also to everyone who attended.
