Our February Catalina State Park meet was put on by a bunch of out-of-towners. **Glenn Haselfeld** (from Prescott AZ) designed courses; **Peter Graube** (from California) hung controls; **Barb Bryant** (from MA) directed; meet helpers included **Linda and Carl Moore** (Seattle), **Ethan Childs** and **Keegan Harkavy** (from MA), and **Erin Schirm** (from CA). Huge thanks also to locals **Jeff and Nancy Coker** (registration/starts), **Mike Thompson** (equipment), **Jeff Brucker** (hang controls and registration), **Jeff Brodsky**, and **Peg Davis** for housing and snacks. Glenn set courses to bring the advanced runners up into a nice northern area of the map.

In addition to the regular meet on Sunday, Orienteering USA coach **Erin Schirm** held a training camp on both Saturday and Sunday, attended by about 20 people. Erin started us off on Saturday with a run through terrain, which led into a discussion about the symbols on the map and how they look in real life. It was rainy, but we carried on through a couple more exercises.

For next year, we are considering planning a week of training in Arizona, perhaps attracting more people including orienteers from other countries. Let us know if you'd like to help organize it!

For Kyle Richardson, and Raven & Jacob, and Peggy Andreson, we could not find their scorecards, but we listed them in the results as attending.
