### Details

Written by Gregg & Pat Townsend

After early morning showers, the day dawned bright and clear for the November 18th meet at Catalina State Park. We then saw an exceptionally large turnout; thanks to everyone for your patience, understanding, and good spirits as we dealt with the long lines.

**John Pascal** set five courses extending north from the main park road to the ridgeline of the 50-year trail. It's a hilly area with many patches of rocky ground, and of course the usual prickly things.

**Dave Follette** won the green course by a wide margin while **Ludwig Hill** took the red course. **Ron Birks** had the fastest time on the orange course as part of his Motala run after already having completed the red course!

One team found three treasures on the course: a pair of eyeglasses, which is being returned to its owner; a lost control sheet; and a blue "Foothills Futbol Club" hooded sweatshirt #3. If that's yours, please contact gmt (-at-) cs (-dot-) arizona (-dot-) edu.

Thanks to to **John Pascal** for setting the courses, to **Kate Follette** for running the beginners' clinic, and to both of them for also helping at the timing table. Thanks to **Dave Follette** for getting permission from State Parks. Thanks to **Ludwig Hill**, **Mike King**, **Mike Koenig**, **Larry Lamb**, and **John Pascal** for helping the meet directors with control pickup.
