### Details

Written by Dave Follette

It was another fine winter day in Tucson, with blue sky and bright sun. Forty-two individuals and teams braved the jumping cholla and everyone made it home safely. **Ron Birks** was the only one brave (crazy?) enough to attempt (and succeed) at the Motala.

We had a great turnout, and membership chair **Jeff Brodsky** was happy to see a record number of membership renewals. Thanks to all the new and existing members for supporting the club!

Special thanks to **Mark Everett** for setting the courses and obtaining our permit, **Ludwig Hill** for the hours of effort put into the new map, **Peg Davis** for the beginner's clinic, **Kate Follette** and **Mark Everett** for sitting in the timing chair, and an eager team of six who stayed to collect controls: **Ludwig Hill, Mark Parsons, John Maier, Gregg and Pat Townsend, Shirley Donald, and Mark Everett**. Special thanks to **Leif Lundquist** for helping clean up at the end and carry supplies down the mountain!
