It was a beautiful day to be out and about in the Sonoran desert, with mixed sunshine and clouds and seasonable temperatures! We had quite a number of new folks out, ranging from Boy Scouts to Saddlebrooke residents who live close to the Park. We had several faces from the past make an appearance, as well. Total turnout was about 60 humans and one dog.

John Pascal set white, yellow, orange, green and red courses, and the club included a red-orange-yellow Motala as an option--taken up by but one intrepid soul. No one got hopelessly lost, no searches were undertaken, and happily, there was only praise for the courses.

Big thanks go out to **Peg Davis** for teaching the beginner's clinic, and to **Helen Deluga** and **John Pascal** for stepping in at a table whenever I got busy or got stretched thin. I also must thanks the folks who went and retrieved controls: **Max Suter**, **Mark Parsons**, **Ludwig Hill**, and two energetic Junior ROTC students--**Forrest Schmidt** and **Jason Newsome**--who ran together as a team, retrieving almost a dozen controls, basically completing a red course.
