Written by Margrit McIntosh

On a beautiful spring day in the foothills of the Santa Ritas, some thirty-odd orienteers enjoyed competing on five classic courses, and an intrepid few tried their luck with the combined-course adventure race motala.

Jaxon Rickel blazed some amazing times in winning the motala, and was the only one to finish all of the legs; full results below. Peg Davis, in addition to running the Red course, was seen to be vigorously and persuasively recruiting volunteers and equipment for the just-around-the-corner North American Rogaine Champs. Thoughtful courses were set by Ludwig Hill, on a portion of the excellent, just-completed Box Canyon map. Everyone seemed most pleased with the courses and the workout they provided; we heard a lot of compliments. One new runner was so enthusiastic he made a generous donation to the club in addition to his meet fee! Ludwig also helped out with timing and with organizing the control retrieval, and our hard-working control retrievers were Jeff Brucker, Max Suter, Mark Parsons, Margrit McIntosh, and Pat Penn.
